**COA DIVESTS THE ASHI SCHOOL TO BECOME WHOLLY OWNED BY ASHI EDUCATION, INC.**  
*Continues to Offer High-Quality Home Inspection-related Education Programs created by COA*

**FALLBROOK, CA., (March 18, 2011) –Casey O'Malley Associates** is pleased to announce it has divested The ASHI School®. The school was established in 2009 as a joint venture between ASHI Education, Inc. and Casey, O'Malley Associates. COA provided course curriculum, administration, marketing and management services which facilitated a successful business start-up and first year. COA continues to offer education management to other associations and businesses wishing to train home and commercial inspectors.

COA manages education across the nation and hosts one of the largest inspector annual conferences in Las Vegas every year. For more information about current programs, please visit [www.CaseyOmalleyAssociates.com](http://www.CaseyOmalleyAssociates.com), [www.inspectionconference.com](http://www.inspectionconference.com) or [www.inspectiontrainingpros.com](http://www.inspectiontrainingpros.com).

**About Casey O'Malley Associates:**

COA was established in 2007 by Kevin O'Malley and Michael Casey, both former partners in Inspection Training Associates, previously the most successful inspection school in the nation, which was purchased by Kaplan Professional in 2003. COA provides inspector education, both live and online, education management, risk management and claims consulting and educational conferences across North America. COA can be reached at 866-363-1330.
